SUMMER CAMP 2017 INFORMATIONAL SHEET

We are so excited that you chose DeVries Nature Conservancy for your child's summer camp experience! In this packet will be a list of things that your child will want to bring to camp, as well as any additional information that will make camp feel more safe and enjoyable for everyone! If at the end of this sheet you still have questions, please feel free to contact me directly.

PREPARING FOR CAMP

We plan on being outside as much as possible during camp, so please check the weather with your child and discuss what clothing might work best for the day. We ask that your child wear shoes that are suitable for hiking, so please do not bring flip flops. Additionally, we encourage campers to bring a backpack with the following:

- Refillable water bottle
- Hat
- Sweatshirt or warmer jacket
- Spare set of clothing
- Rain coat
- Water shoes, or shoes that can get wet
- Sunscreen, applied before camp
- Bug Spray, applied before camp
- Lunch (if staying full day)
- Swimsuit and Towel

Please refrain from bringing electronics or toys from home. Thank you.

SNACK

A healthy snack will be provided during both half and full day sessions. Please let me know if your child has a food allergy so that I can make sure the snack will be safe for everyone to enjoy.

LUNCH

If your child is staying for the full day, please bring a lunch. We will plan on eating at 1:00pm.

Thank you again for participating in this years summer camp at DeVries Nature Conservancy. If you have any additional questions, please feel free to contact me.

See you at camp!
